FORD 1.0L E5 : KIT ASSY. in BOX

918175-5001Y : Water pipe adaptor installation instructions

Garrett
ADVANCING MOTION

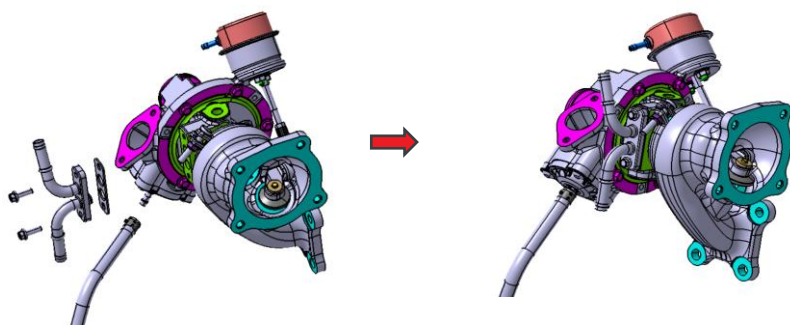

Adaptor kit inside the box, (Qty: 1)

Kit must be installed in sequence as show above

(Turbocharger water connections → gasket① → water adaptor② → bolts③
RCV→ Hose④).

s

- ⇒ Ensure that the installation is carried out in clean environment with right tools
- ⇒ Ensure that there is no "air" leakage between connections as to avoid any noise and performance issue on vehicle
- ⇒ Tighten to 6.0-8.0 N·m of torque
